Subject: FW: Occupational Health Programme on Personal Exposure to Airborne Pollutants

Good morning Sir, for your information and distribution.

Regards

Dennis Sandmann

Morning

The Guideline for the compilation of a Mandatory Code of Practice: Occupational Health Programme (Occupational Hygiene and Medical Surveillance) on Personal Exposure to Airborne Pollutants was promulgated in **April 2018** and the mines have 6 months to compile the COP thus the effective date is **November 2018**.

Reporting on the new forms commence in 2019 the first quarter – **End March 2019**.

Any enquiries can be send to: Peter Huma – Occupational Hygiene Technical Advisor – DMR – Head Office or
Brain Mongoma – Minerals Council South Africa
